

## DIGITAL LANGUAGE LAB

Kendriya Vidyalaya New Bongaigaon offers a well-equipped Language Lab to the students for better learning of the English language. The Language Lab is fully furnished and equipped with the following facilities:

- The Lab has an accommodation for 30 students with well-furnished seating arrangement.
- 30 HP Computers equipped with Work-stations in each have been properly installed.
- All the computers have been properly connected through LAN.
- The software “Words Worth” has been installed in the server computer which runs in all the computers through LAN.

The Language Lab was inaugurated on 10<sup>th</sup> of April 2019 by Shri V.K.Snggh, Assistant Commissioner, KVS RO Guwahati and since then it has been functioning smoothly which is providing the students a better scope of learning the English language with proper diction and pronunciation. The teachers are also making use of ample resources of audio samples and recordings available in various reliable sources like British Council, IELTS etc.
